1) The shades & both light- in the verandah & the office are covered with dust- These drop lights- are put- up so high it is not possible to clean the shades. It is also found difficult & remove or fix the bulbs when they go out & order. If the office is provided with a portable and folding ladder made & teak wood 6 or 7 ft- high there will be every facility & cleaning the shades &

& ft would be better.

2) orders are solicited for the purchase & a ladder- If so orders can be will be called for.
